

City of Milpitas

We invite applications for the position of:

Summer Internship Engineering Intern

Compensation:	Unpaid
Post Date:	March 7, 2016
Close Date:	March 25, 2016 at 5:00 p.m.
Location:	<u>City Hall, Engineering Department</u>

Why Milpitas?

As an integral part of the high tech Silicon Valley, Milpitas is a dynamic community located at the southern tip of the San Francisco Bay. With a much diversified resident population of 72,606, Milpitas features quality schools, conveniently located neighborhood parks and shopping centers. The role of every employee is to be committed to accomplishing the community's vision by providing fiscally sound, superior services.

You will be joining a community of 328 professional employees as diverse as the city they support. We are privileged to have such a unique workforce and to foster an environment that encourages those differences. We believe in supporting our employees' abilities and desires for professional growth, to better support retention and commitment throughout all career stages. Milpitas employees are proud and know that their contributions make a difference to the community as well as to their own career. We encourage you to check us out:

The Opportunity

The primary goal of the City of Milpitas Student Internship Program is to prepare and develop qualified students to enter the workforce. The Engineering Department is looking for Engineering Intern that is interested and skilled in civil engineering. Candidate will work in an office environment, interact with customers, assist staff with receiving, processing, and issuing a variety of engineering permits and applications.

The hours are 5-20 hours per week, depending on assignment and schedule. The internship will last approximately 3 months, but may be extended longer depending on assignments.

Currently enrolled in a Bachelor's Degree program with a major in Civil Engineering, Environmental Engineering, or another closely related field are encouraged to apply.

Selection Process

Students whose qualifications best meet our current needs will be invited to participate in the selection process that may consist of an oral board interview. Meeting the minimum requirements listed in this job description does not guarantee advancement in subsequent phases of the selection process.

To Apply

City of Milpitas

We invite applications for the position of:

Summer Internship Engineering Intern

Submit application, resume, copies of required certificates (if applicable) online at www.calopps.org or to the Human Resources Department, City of Milpitas, 455 E. Calaveras Blvd, Milpitas, CA 95035, (408) 586-3090.

The City reserves the right to close or re-open the recruitment at any time. Incomplete and/or inaccurate application materials may result in disqualification from the recruitment process.

Candidates will receive all communications by email regarding the recruitment process, which includes, but is not limited to, application status, testing dates, and interview scheduling. If you require alternate communications, please contact Human Resources at (408) 586-3090.

General Information

This position is a non-benefited, part-time opportunity, with a flexible schedule. Prior to assuming the role of Intern, candidates will be required to successfully complete a pre-employment process, including a criminal history questionnaire and a Department of Justice (DOJ) fingerprint check. A conviction history will not necessarily disqualify an applicant from appointment; however, failure to disclose a conviction will result in disqualification from the recruitment process.

The City of Milpitas is an Equal Opportunity/ADA employer. Reasonable accommodation in the application, examination, and selection process will be made upon request to Human Resources at (408) 586-3090.

The information contained in this announcement does not constitute either an expressed or implied contract and these provisions are subject to change.
